For the attention of Mr. Andrew Forshaw

Dear Andrew,

Re: Lime Street Railway Station Gateway

I can confirm that Walter Forshaw Ltd carried out the demolition of the 14-storey tower block, Concourse House and adjacent shops outside Liverpool Lime Street Railway Station.

I would like to place on record our appreciation for the work they carried out on this challenging project, which was undertaken to the highest of standards, in particular regard to the consideration of the station's operation. In particular I would like to take this opportunity to congratulate Forshaw team for the successful completion of the demolition works and thank them again for their efforts in maintaining harmonious relations with the station and its team.

Yours sincerely

Samantha Hadnum
Scheme Project Manager (Acting)
